

~~Official invitation to follow!~~

18th April 16.00-19.00

Dear Sir/Madam,

We would like to cordially invite you to the launch of the International School Utrecht (ISU) on Wednesday, 18th April. The International School Utrecht opens its doors in August 2012. ISU will provide a high quality and accessible international learning environment to children from diverse international backgrounds.

International School Utrecht is the first official International School in the Province of Utrecht. The school is funded and recognized by the Dutch government, and it will offer academic programmes for international students living in Utrecht and the surrounding area.

An important part of the event will be the official signing of the covenant, to be signed by Remco van Lunteren, Vice Governor of the Province of Utrecht, Jeroen Kreijkamp, Alderman of the Municipality of Utrecht, and Bert van der Zwaan, Rector Magnificus of Utrecht University. Following this will be a short debate on Utrecht, international region of knowledge and culture. Finally Jaap Mos, Director of the ISU, will give a short talk on the educational programmes at the International School Utrecht. The afternoon will conclude with a reception.

Please reserve this date in your diary and you will soon be sent an official invitation with more detailed information.

We hope to welcome you on 18th April.

Kind regards,

Remco van Lunteren

Jeroen Kreijkamp

Bert van der Zwaan

Jaap Mos
